

The Glendale Trust

Registered charity N^o. SCO38741 Company N^o. SC327627

The Glendale Trust AGM Saturday, 7th February 2009, 2pm Glendale Community Hall

Dear Members,

It is that time of year again, no not just Christmas and New Year but that important event on the local calendar

We have been beavering away getting our paperwork in order. We have educated ourselves about the running of a community company, become a charity and are initiating the first few projects.

Information Board

We are creating a map and information board for the area, which will include all the visitor sites, restaurants, shops, accommodation, galleries, walks, nature and history and places of interest. It is surprising how much we have in the area. We aim to have the map, or a good draft copy of it, for you to view at the Hall after the AGM. This will eventually be attractively set in the Glendale Community Hall Car Park. There will be space for advertising local businesses at a very reasonable rate. If you would like to place an advert for a year please call **Clare on 511753**

Commemorative WW1 Display

We are creating photo and information display, during the week of the AGM, to commemorate 90 years since the end of WW1 and the service men of Glendale. If you have stories or pictures that you would like to share please call **Anne on 511218**. "Lest we forget."

Renewable Energy project

We have begun the process of exploring, which renewable energy projects would be viable and desirable for Glendale and will have some opportunity to discuss this and any other questions after the AGM. We plan to have a speaker who will be able to talk about this with us. Last year we were given a general talk about the options we may like to consider. We have narrowed this down to two or three options. This is a big topic and there is much to learn and discuss and a long road ahead if the community want to take it. Your thoughts would be very much appreciated. **Brian 511379, Ian 511218, Ocean 511351**

Hogmany Bash

We are planning a Hogmany Bash with a bonfire and barbeque at the Meanish X Pier, on a 'bring your own steak' basis. Please call **Anne 511218**

As we are working with several projects and some big projects, it is important to have a strong committee. We have one now but it will need to be even bigger next year. So please consider who you would like to have on the GT and choose your directors. We also need a strong mandate for the committee to work. That means a large number of the community who are registered members of the GT, many, many people have signed up as GT members or associate members, we want more. So please come and vote in the committee, enjoy refreshments and share ideas. Your presence will be welcomed.

If you need transport to the meeting please call Ocean 511351

Best Wishes, Happy holidays and we look forward to seeing you soon.

The Glendale Trust Committee.

Ewan McLay, Clare Gray, Ocean Graham, Dave Perry, Anne Blackford, Ian Blackford, Brian Smith, Margaret MacPhee

Remember, remember; please pin this to your board, put it in your diary or circle it on your new calendar.

AGM agenda:

Chairwoman's report
Treasurer's report
Secretary's report
Appointment of Directors
Date of the next meeting,
AOCB

We will also have:

Light refreshments
Speaker on our likely renewable options
Questions and discussion

Attached is a membership form
A form for proposing a director/s
