The Glendale Trust AGM
Saturday, 20th February 2010,
Glendale Community Hall 2pm

Invitation to AGM, it sounds so boring but choosing a strong group of people to serve on your Glendale Trust can do a great deal for the area. If you know someone, or are someone who would enjoy the community involvement, or would like to get stuck in to one of the projects, then please use the nomination form below and nominate them or yourself. It is a good committee to be on because it is all creative work and quite a lot of fun. Time and date above.

So much has happened this year it has been a whirlwind. I hope you had an opportunity to read The GT Newsletter, if not there are copies in the Post Office and some of the Dunvegan Shops. We have had a Midsummer Community Do, and St Andrews' Night Do, a Hogmanay Do in the most difficult of weather conditions and it turned into a perfectly beautiful clear, calm, snow-white, moonlit night that was enjoyed by all. Very soon we will be hosting, together with the Glendale Community Hall Association, our best effort yet, flyer attached. This is going to be hilarious, delicious and entertaining in everyway. If you have never been to a Burn's Night before, this is the one to cut your teeth on. If you have been before, this one will be memorable, so please come, be entertained and eat well at the Glendale Burn's Supper and just look at the line up!!! Tickets are available from Ian Blackford and Kathy Lindsley, Glendale Post Office, Atholl Filling Station and the Fruit and Nut Place for only £17.50, which for an evening of excellent entertainment and a 5-course meal (vegetarians well catered for) is a steal.

It must seem like all we do is party, but the project groups have been meeting, researching and planning. The Heritage group, after a slowish start, are definitely charging ahead now and running on the rocket fuel of the success of the summer Exhibition. The Website, courtesy of Graham Davies, is up and running, www.theglendaletrust.org the Freecycle and Car Share are up and running, look in the Glendale Post Office or on the website, the Renewables group keep meeting themselves going round in ever decreasing circles. The Information Board and Map of Glendale are up at the Hall car park, with lists of walks in the area and local businesses advertised and we have more planned for this too. We have a lot to look forward to this coming year, please join us in making it work.

1. Nominations for director Form

The Glendale Trust

Registered charity №. SCO38741
